### **NARMC to Offer Breastfeeding Support Group**

(Harrison) – North Arkansas Regional Medical Center is pleased to introduce, *The Lactation Club*, a monthly breastfeeding support group. Connect with other moms, share your concerns, and celebrate your successes.

This informal group setting is led by Sandra Guidry, RN, who is an International Board Certified Lactation Consultant. The group will focus on a new topic of discussion each month.

“NARMC is honored to offer this support group for the women and children of this area. We identified a community need through our breastfeeding support which is provided by Sandra Guidry, RN, IBCLC. Sandra provides breastfeeding support to our families during their hospital stay and continues after discharge if needed. We are very committed to mothers and babies at NARMC, and this is the first step in offering an ongoing educational and outreach service to the families of our area,” states Dawn Brown, RN, NARMC’s Director of Women’s Services.

The meetings will be held the second Wednesday of each month, 11:30 a.m. to 12:30 p.m. in NARMC’s 3<sup>rd</sup> Floor Tower Waiting Room. Lunch will be included and well siblings are welcome. To RSVP or for more information please call NARMC’s Lactation Services Department at 870-414-5324.
